## Symbols of the Holy Ghost

### Crown

- A symbol of supreme power and strength which transcends all members of the Church and empowers all of us to love and serve God in all his magnitude and splendor.

### Scepter

- A symbol of protection against evil, our affirmation as Christians as Soldiers of Christ and of our pledge to defend His Church and His Teachings.

### Receptor

- A symbol of unity, harmony - one which unites us in "one body and one spirit" of the Holy Trinity, the Father, Son and Holy Spirit.

### Banners

- A symbol of our community's unity and public display of our mission to carry forth the Holy Spirit's message, examples and the unanimity of the members of His church.

### Sopas

- A symbol of God's request that we feed the poor and the hungry and that through our acts of love and generosity towards "the least of His own" we will indeed partake in the eternal banquet of Heaven.
